Les étangs de Saint-Aubin

“ La salle Boulle et son espace
circulaire ”

Located a few kilometres from Giverny (and Monet's beloved gardens), in the middle of quaint Norman woods surrounded by farms and equestrian centres, the chateau and its outlying buildings (three homes and a pigeon loft) are bordered by a 30-acre park with a pond full of crayfish. The whole house has been recently renovated in the theme of “furniture of yesteryear”, which fill each room and accentuate the charm and authenticity of this beautiful home. The property can accommodate 60 guests and is perfect for walks, cycling, sports (tennis, golf, badminton, archery, and horseback riding). In short, it offers whatever you need to encourage thought, creativity, relaxation, and team-building at the seminar.
